Fundraising

The P & C is actively involved in fundraising for the school. Money raised through events such as Spellathons, family movie nights, fetes and pizza days all goes to improving our school for our children.

In recent years, profits from P & C fundraising have paid for new musical instruments, the playground equipment for Grades 4 - 7, the purchase of new curriculum support material and air conditioning in all our classrooms. This year the P&C will be focusing on the upgrade of the Early Years play area. Thanks to the P & C we have a great tuckshop—in fact, without us there would be no tuckshop!

Social

The P & C also plays a social role within the school by organising Morning Teas for guests at community events such as the school’s Open Day and Under 8’s Day and BBQs for functions throughout the year.

We also like to have fun so we organise events like our family fun days and trivia nights which are always popular, and working bees to improve the school grounds.

By being part of the P & C your children will see that you think that their school is important—and that makes them think their school is important too!
